School overview

Wavell Heights State School is situated in a quiet location in the suburb of Wavell Heights. The school opened in 1948 following the post war expansion of Brisbane into the Northern Suburbs. Wavell Heights State School has an enrolment management plan and the majority of students live within Wavell Heights and Chermside.

Our student population comes from diverse cultural, linguistic and socio-economic backgrounds. Our families are characterised by a range of family structures and all our students bring with them a rich tapestry of prior learning experiences to our school. The positive relationships between students and staff is central to harmony and success in the classroom. Staff, students and parents hold a high regard for the value of learning and the staff have a strong belief that every student can learn. We provide an inclusive curriculum based on the Australian Curriculum. The teachers collaboratively planning for differentiated learning experiences, which empower students to take responsibility for their learning.

The community at Wavell Heights has high expectations for student learning and standards of acceptable behaviour. Our Responsible Behaviour Plan for Students is taught to students. The staff possess and utilise skills and knowledge, and work collaboratively with parents, to ensure common understanding of the expectations of the behaviour that we are teaching

The staff at Wavell Heights State School use our Pedagogical Framework to inform teaching and learning practices within our school. Staff are regularly involved in researching and implementing innovative and evidence based teaching and learning techniques to assist students to achieve their best learning outcomes. Assessment is recognised as an integral and natural element of the teaching and learning cycle. We use the data collected to learn about and tailor our pedagogy and programs to enhance learning for the individual. Students are well prepared and aware of assessment criteria and expected standards, prior to the commencement of units. A variety of assessment opportunities cater for individual learning styles. Our staff meet regularly, at school and with teachers from cluster schools, to discuss the achievements of our students and help us make consistent judgments using state wide and national standards as a benchmark. We offer regular opportunities to meet with the students and their parents or caregivers, to discuss the student's achievements and progress.

Our Students, staff and parents at Wavell Heights State School share our vision of 'Every Child Matters'. Diversity is embraced and the school community appreciates and values the diverse backgrounds of the students and families. All staff and students live up to the high level of our shared school values. We celebrate the achievements of our students and promote these throughout the community. Our staff, students and parents are proud to be part of the Wavell Heights State School community.

Year 4 – Year 6	28	23	24

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Responsible Behaviour Plan for Students is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website:

Parent and community engagement

Our approach to engaging with parents and the community is aligned to the department's Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community. Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019
Short suspensions – 1 to 10 days	10	9	16
Long suspensions – 11 to 20 days	0	0	1
Exclusions	0	0	0
Cancellations of enrolment	0	0	0

Note:
School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities (water tanks and solar panels) and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	141,151	143,707	146,262
Water (kL)	6,922	6,230	6,703

Note:
Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

- <https://www.qct.edu.au/registration/qualifications>

Professional development

Teacher participation in professional development

Queensland state schools undertake 5 staff professional development days (25 hours) throughout the year:

- 3 days (15 hours) at the end of the summer holidays
- 1 days equivalent (5 hours) as after school professional learning activities
- 1 day (5 hours) in the third last week of Term 3 on the student free day.

Staff attendance and retention

Performance of our students

Key student outcomes

Student attendance

The overall student attendance rate in 2019 for all Queensland state Primary schools was 92%.

Tables 11–12 show attendance rates at this school as percentages.

Table 11: Overall student attendance at this school

Description	2017	2018	2019
Overall attendance rate* for students at this school	92%	92%	92%
Attendance rate for Indigenous** students at this school	88%	88%	87%

* Student attendance rate = the total of full-days and part-days that students attended divided by the total of all possible days for students to attend (expressed as a percentage).

** *Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

Table 12: Average student attendance rates for each year level at this school

Year level	2017	2018	2019
